COUNCIL BUSINESS

8. **Reconsideration of Relaxing Temporary Sign Regulations**

Community Development Director Will Wong presented this item. He explained approximately 2 years ago the Council initiated a program to relax temporary signs for certain commercial areas within the City. He said in July of 2010, the Council terminated the program. Recently the City sent letters of enforcement to business owners.

Council Member Nesbitt said termination of the program was due to recommendations from business owners. He said because of the current economic situation this program the Council should consider resuming the program.

Council Member Powers asked if any business associations have submitted formal requests to the City asking for this program to be reinstated.

Council Member Holmes asked about enforcement procedures. He said businesses should have been contacted in person before receiving the notification letter.

Council Member Hanley asked about signage options for new businesses in Auburn. He also asked about enforcement of temporary sign regulations during the Amgen Tour of California (ATOC).

Will Wong explained the process of permanent sign approval for new businesses.

Mayor Kirby asked about the timing of enforcement. He also asked about enforcement as it relates to the ATOC event.

Reese Browning, a business owner in Auburn, spoke in favor of continuing the relaxation of the temporary sign regulations and revisiting the sign ordinance.

9. **Proposed Schedule for Charter City Hearings**

Council Member Hanley said he would like to hold three informational hearings over a 3-month period starting in June to determine whether the question of adopting a City Charter should be placed on the ballot in 2012. He said to get the conversation started he would like to have a draft *Home Rule for Auburn Charter* created.

Council Member Holmes asked why the issue would not be included in the regular election in November 2012. He also asked if a committee would be formed to draft the Charter.

Dennis Dean, a resident of Sacramento County, asked about the agenda format for these informational items in June, July and August.

Samantha Draper, a researcher for Carpenters Local 46, said three public hearings are not adequate for the voting public to be educated on the issue of a Charter City.

Alex Lantsberg, a researcher for Carpenters Local 46, spoke about prevailing wage law as it relates to Charter Cities.

Council Member Powers asked about workshops held by the City Manager.

City Manager Robert Richardson said there will be special reports from each operating department to the Council. He said the three informational meetings he mentioned initially are the only ones scheduled until he knows more about the state budget and current labor negotiations.

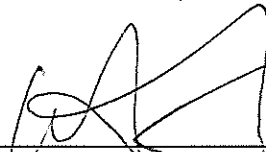

Keith Nesbitt said he supports the three upcoming meetings and said the council could always decide that further meetings are necessary at a later time.

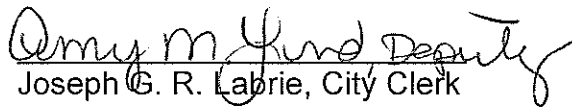

Mayor Kirby confirmed that a charter city status gives the citizens more flexibility than the current status of Auburn as a general law city.

By **MOTION**, direct the City Manager to include on the council agenda for the June 13, July 11 and August 8, 2011 meetings, a discussion item as to whether the City of Auburn should place a Charter on a 2012 election ballot.
